Inspiring Africa

1. What are the main reasons for you wanting to change careers or consider a move right now?
2. What has been your biggest or most significant achievement/accomplishment in the past 5 years?
3. What has been your biggest mistake, challenge or failure to date and what did you learn from it?
4. What is your ideal future career plan and what's most important to you?
5. What would you say are your key natural strengths, skills and abilities?
6. What would you say are your natural weaknesses and most under-developed skills?
7. What is the best environment you have ever worked in and why?
8. Who is the best boss/manager/owner you have ever worked for and why?
9. What key skills have you developed the most in the past 3 years?
10. What are your core values and most important principles you live by in your life?
11. What other opportunities are you pursuing at present and what is the status of each?
12. Would you consider any Interim Consulting Roles (1 day to 1 month assignments on a daily rate)?
